

AGTV Years 4 to 9 Poetry Competition

YEARS 5 TO 9 State Final Results 2021

The Committee hosted the 28th annual AGTV Poetry Competition via Zoom on Saturday 28th August, the birthdate of Johann Wolfgang von Goethe. The AGTV thanks the Goethe-Institut for supporting the State Final this year.

Another record in 2021 with **165 entrants** at the State Final from **19** Regional Finals, almost all held remotely. Zoom Hosts and Coordinators this year were: Jaclyn Curnow, Catherine Gosling, Julian Perry, Maddy Sim, Helena Salles, Liz Ray, and Kylie Wallace. Our heartfelt thanks to all judges across the competition.

The Committee congratulates all entrants in the State Final and thanks everyone for their enthusiasm for this competition and for their patience and persistence in dealing with delays or technical glitches.

Students competed for Gold, Silver and Bronze medals at Regional Finals and for trophies and a shield at the State Final. There are also Regional and State Final certificates.

Thanks to all committee members for help with planning the competition and our warm appreciation to the Regional Final Coordinators. And our sincere and grateful thanks to the hardworking, 'we'll find a way' German teachers, who are nothing less than awesome. Thanks to all students who took part across school, regional and state competitions. You inspire us all.

Students in Year 9 can look forward to participating in the competition hosted by Monash University and the University of Melbourne, who take turns in hosting a poetry competition for Years 10, 11 and 12.

In 2022, the competition will be hosted by Monash University.

Ask your teachers about it. *Viel Glück!*

Looking forward to 2022!
