

Registering for an AGTV PD on the Wild Apricot Companion Website

<https://aogtovi.wildapricot.org/>

1. Login with your email and password at the top right-hand corner of the website.

Trouble Shooting: The email must be the email the system recognises as yours. The email is your ID with the system. Some members have different emails e.g. a private and a school email. When they use a different one, the system does not recognise you as a member.

If you forget your password, you can request another.

2. Once logged in, more headings appear and for an event, you will be able to see the types of registration for which your level of current membership is eligible.

3. The highlighted registration categories below show this person can register for an Individual member or Non-member registration. Eligible types are **bolded**.

Click on the 'Register' button.

Trouble-shooting: Only current members can access individual member rates.

4. Click on the 'I'm not a robot' square.
